### Club Meetings:

- ❖ The Skills USA club is back! Any student who wants to learn how to build things out of metal is invited to the welding and fabrication Skills USA club in room 507.  
You do NOT need to be a current metalshop student to join, learn, and compete.  
Come to the metalshop in room 507 today at lunch to learn more about what we do.
- ❖ Come join BC2M the mental health club at the wellness center every Wednesday at lunch. We'll be organizing activities & discussing ways to reduce the stigma surrounding mental health.

Have a beautiful day Eagles.
