Shout out to Adela Prieto and Lorena Macias in the Learning Center. Adela is organized, efficient, and helpful to the students, parents, and staff with whom she works. As for Lorena, she has the biggest heart for helping students, encouraging them to be their best and helping them find their way when they are not yet the student they can become.

Staff, let's keep the shout outs going. Check your email for directions to link

- ❖ Attention Seniors, if you were in Mr. Goss's 4th Period AP U.S History class last year, come by room 923 anytime to check out and take a picture with the 'Most Spirited class trophy from last year". Congratulations!!
- ❖ Attention Seniors, in order to qualify for the Palomar Promise, you must complete the FAFSA. Stop by the Career Center to set up a one on one appt. Remember, deadline is March 2nd.

- ❖ Congratulations to our Varsity Dance Team who came home with four 1st place trophies and one 3rd place trophy from their competition this weekend. The team competes here at SP in two weeks, so come support as they compete for their placement at USA Nationals.
- ❖ (Local Control and Accountability Plan) The LCAP is a plan that describes the goals, actions, services, and costs to support positive student outcomes that address state and local priorities. The LCAP provides an opportunity for school districts to share their stories of how, what, and why programs and services are selected to meet their local needs. Our school district takes the LCAP survey responses each February into consideration as in year's past we have been able to add an extra campus security, an extra school counselor and a new social worker at SPHS over the past few years due to the LCAP survey results.
- ❖ We ask all students to get our their device and to take the 5 minutes LCAP student survey right now. Teachers, please put up the QR code and/or the link provided in email this morning. All staff are invited to take this survey now as well, if you have not.

Have a beautiful day Eagles.
