Shout out to Ms. Ranya Bidir who helps our students make delicious food in the Culinary Lab each week with a big smile on her face! She shops, cleans and preps food to help ensure our eagles are successful, we could not do it without her! Thank You Ranya!

Staff, let's keep the shout outs going. Check your email for directions to link

- ❖ Attention Seniors, in order to qualify for the Palomar Promise, you must complete the FAFSA. Stop by the Career Center to set up a one on one appt. Remember, deadline is March 2<sup>nd</sup>.
- ❖ Juniors- anyone interested in the experience of being a student board member representative for San Pasqual High next school year? It's a great experience and looks great on a college application! Come see Mr. Gregory Principal if interested. Applications are due in a few weeks March 1st.

- ❖ (Local Control and Accountability Plan)  
The LCAP is a plan that describes the goals, actions, services, and costs to support positive student outcomes that address state and local priorities. The LCAP provides an opportunity for school districts to share their stories of how, what, and why programs and services are selected to meet their local needs. Our school district takes the LCAP survey responses each February into consideration as in year's past we have been able to add an extra campus security, an extra school counselor and a new social worker at SPSHS over the past few years due to the LCAP survey results.
- ❖ We ask all students to get out their device and to take the 5 minutes LCAP student survey right now. Teachers, please put up the QR code and/or the link provided in email this morning. All staff are invited to take this survey now as well, if you have not.

Have a beautiful day Eagles.
